Day 1 ARRIVE MALACCA

(L)

You will be picked by a representative of **Clasic Tours Sdn Bhd** & handed over to your respective guide from Kuala Lumpur (any hotel in Kuala Lumpur City) where the coach will depart at 8.30am to Melaka. Upon arrival, there will be a sightseeing tour on the historical places in Melaka. First, we will visit Abode Merciful Clouds' or Cheng Hoon Teng Temple which is the oldest temple in Malaysia and the only temple where you can find 3 major doctrines of local Chinese belief under the same roof - Taoism, Buddhism and Confucianism. The temple was founded in the 1600s by a Chinese Kapitan (chiefs/headmen of the ethnic community) during Portuguese colonization. Next we will visit The Dutch Stadhuys. The building was constructed in the 1650s as the residence of Dutch Governor and his deputy. Today it being use as the "Museum of History and Ethnography" where it exhibits traditional wedding clothes and artifacts of Melaka, dating back to its days of glory. Christ Church which is known as the red Dutch reformed church is situated at the end of the end of the main square near the Stadhuys. The pink bricks were brought from Holland and plastered with local red laterite while the ceiling beams were cut from a single tree and have no joints. The handmade pews are originals dating back over 200 years. The beautiful monument will leave you with an unforgettable experience. We will then walk through the ruins of St Paul's Church at St Paul Hill where St Francis Xavier was once buried. As we walk up the hill, we will come across numerous museums such as Architecture Museum, the Stamp Museum and the Islamic Museum along the way. As we walk further up, we will encounter another valuable historical monument, Porta de Santiago or also known as A'Famosa. The fort is one of the oldest surviving remnants of European architecture in Asia. Moving from Porta de Santiago, the church is located on the summit after a 5 to 10 minutes walk through the stairs. Upon reaching the top, all the tiredness will disappear as you grasp the breathtaking view of Melaka City and the coastline. Lunch will be served in a Paranakan Restaurant. After the tour, drop off at your hotel for check in.
